

# OFF-CAMPUS PARKING OPTIONS

We apologize that on-campus parking is insufficient for major school-wide events. The following off-campus parking areas are possible options for car drivers to consider:

**BlueSquare Parking Lot** is located in the basement of the building located across from YISS.

**HwanSeung Parking Lot** is a large public parking area next to Passion5.

**Hannam Citizen's Center** has a large public parking area that is located across the street from Cheil Worldwide.

**Yongsan District Office** located near Noksapyeong Station has a large public parking area.

**Please note:** Drivers are responsible for any parking fees incurred.
